**INDIANA SOUTHERN RAILROAD, LLC**

**THIS TRACKAGE RIGHTS AGREEMENT**, ("Agreement"), entered into as of this \_\_\_\_ day of \_\_\_\_\_ 2012 (the "Effective Date"), by and between INDIANA SOUTHERN RAILROAD, LLC (hereinafter referred to as "ISRR") and NORFOLK SOUTHERN RAILWAY COMPANY, a Virginia corporation (hereinafter referred to as "NSR"). Each of ISRR and NSR shall individually be referred to as a "Party" and collectively as the "Parties".

**WITNESSETH:**

**WHEREAS**, NSR owns and operates a rail line from Oakland City Jct., IN to Enosville, IN ; and

**WHEREAS**, ISRR desires to obtain overhead temporary trackage rights over said line between Oakland City Jct., and Enosville, IN; and

**WHEREAS**, NSR is willing to grant such overhead temporary trackage rights to enable effective short-haul rail movement of coal, but only on a temporary basis; and

**WHEREAS**, ISRR and NSR desire to enter into a formal agreement governing the exercise and use of the Line by ISRR during such temporary period (the "Agreement").

**NOW, THEREFORE**, ISRR and NSR, intending to be legally bound, agree as follows:

**ARTICLE 1. DESCRIPTION OF TRACKAGE RIGHTS**

1.1 ISRR shall enjoy hereunder overhead temporary trackage rights over the Line (the "ISRR Trackage Rights") as described below:

The segment of the line owned by NSR between a connection with ISRR at or near MP 0.8 EJ (Oakland City Jct.) and MP 4.8 EJ (Enosville), a distance of approximately 4 miles (the "Line").

**ARTICLE 2. USE OF LINE**

2.1 The ISRR Trackage Rights shall be utilized by ISRR and shall be limited to the rail transportation of loaded and empty coal originating at Log Creek Mine at Enosville, IN and moving between Enosville and Oakland City Jct. destined for Indiana Power and Light's Petersburg Station at Petersburg, IN, and shall not be permitted to any other movements.

2.2 ISRR's use of the Line shall be in common with NSR and NSR's right to use the Line shall not be diminished by this Agreement. ISRR shall not grant to other persons rights of any nature on the Line.

2.3 Except as may otherwise be provided by this Agreement, the ISRR Trackage Rights shall be utilized as set forth in Article 2.1, and ISRR shall not use any part of the Line for the purpose of switching, storing or servicing cars or the making or breaking up of trains, except that nothing contained herein shall

preclude the emergency use by ISRR of such auxiliary tracks as may be designated and approved by NSR for such purposes.

2.4 NSR shall have exclusive control of the management and operation of the Line. ISRR shall not have any claim against NSR for liability on account of loss or damage of any kind in the event the use of the Line by ISRR is interrupted or delayed at any time from any cause.

### **ARTICLE 3. MISCELLANEOUS SPECIAL PROVISIONS**

3.1 ISRR's locomotives and crews shall be equipped to communicate with NSR on radio frequencies normally used by NSR in directing train movements on the Line.

### **ARTICLE 4. COMPENSATION**

4.1 On or before the 15<sup>th</sup> day of each calendar month during the term of this Agreement, ISRR shall prepare and deliver to NSR a statement setting forth the number of cars and locomotive units moved by ISRR pursuant to this Agreement. For the exercise of the ISRR Trackage Rights, ISRR shall pay to NSR [REDACTED] per loaded car (hereinafter referred to as the "Current Charge").

4.2 ISRR shall pay NSR a sum computed by multiplying: (i) the Current Charge by (ii) the number of cars (loaded and empty) and locomotive units moved by ISRR with its own crews and power over the Line. In computing the compensation payable by ISRR pursuant to this Article 4, cars that exceed ninety-six (96) feet in length shall be counted as one (1) car for each four (4) axles.

### **ARTICLE 5. REVISION OF CURRENT CHARGE**

**THIS ARTICLE INTENTIONALLY OMITTED**

### **ARTICLE 6. PAYMENT OF BILLS**

6.1 All payments called for under this Agreement shall be made by ISRR within thirty (30) days after receipt of bills therefor. No payments shall be withheld because of any dispute as to the correctness of items in the bills rendered, and any discrepancies reconciled between the Parties shall be adjusted in the accounts of a subsequent month. The records of each Party, insofar as they pertain to matters covered by this Agreement, shall be open at all reasonable times to inspection by the other Party for a period of three (3) years from the date of billing.

6.2 Bills rendered pursuant to the provisions of this Agreement, if any, other than those set forth in Article 4, shall include direct labor and material costs, together with the surcharges, overhead percentages and equipment rentals as specified by the performing party at the time any work is performed by one Party for the other Party.

### **ARTICLE 7. MAINTENANCE OF LINE**

7.1 Except as provided by this Article, NSR shall be responsible for all maintenance of the Line, including but not limited to track, bridges, signals, detectors and highway grade crossing equipment as applicable. The Line shall be maintained by NSR in reasonably good condition for the use herein contemplated, but NSR does not guarantee the condition of the Line, or that operation thereover will not be interrupted. Furthermore, except as may be otherwise provided in Article 13 hereof, ISRR shall not by reason of failure or neglect on the part of NSR to maintain, repair, or renew the Line, have or make any claim or demand against NSR or its parent corporation, subsidiaries and affiliates and any or all of their

respective directors, officers, agents or employees for any injury to or death of any person or persons whomsoever, or for any damage to or loss or destruction of any property whatsoever, or for any damages of any nature suffered by a party resulting from any such failure or neglect. If the use of the Line shall at any time be interrupted or traffic thereon is delayed for any cause, NSR shall with reasonable diligence restore the Line for the movement of cars.

#### **ARTICLE 8. CONSTRUCTION AND MAINTENANCE OF NEW CONNECTIONS**

**THIS ARTICLE INTENTIONALLY OMITTED**

#### **ARTICLE 9. ADDITIONS, RETIREMENTS AND ALTERATIONS**

**THIS ARTICLE INTENTIONALLY OMITTED**

#### **ARTICLE 10. MANAGEMENT AND OPERATIONS**

10.1 ISRR shall comply with the provisions of the Federal Locomotive Inspection Act and the Federal Safety Appliance Act, as amended, and any other federal and state and local laws, regulations and rules respecting the operation, condition, inspection and safety of its trains (locomotives and cars) while such trains, locomotives, cars, and equipment are being operated over the Line. ISRR shall indemnify, protect, defend, and save harmless NSR and its parent corporation, subsidiaries and affiliates, and any or all of their respective directors, officers, agents and employees from and against all fines, penalties and liabilities imposed upon NSR or its parent corporation, subsidiaries or affiliates, or their respective directors, officers, agents and employees under such laws, rules, and regulations by any public authority or court having jurisdiction in the premises, when attributable solely to the failure of ISRR to comply with its obligations in this regard.

10.2 ISRR in its use of the Line shall comply in all respects with the safety rules, operating rules and other regulations of NSR, and the movement of ISRR's trains (locomotives and cars) over the Line shall at all times be subject to the orders of the transportation officers of NSR. ISRR's trains shall not include locomotives or cars which exceed the width, height, weight or other restrictions or capacities of the Line, and, without the prior consent of NSR, no train shall contain locomotives or cars which require speed restrictions or other movement restrictions below the maximum authorized freight speeds as provided by NSR's operating rules and regulations.

10.3 ISRR shall make such arrangements with NSR as may be required to have all of its employees who shall operate its trains, locomotives and cars over the Line qualified for operation thereover, and ISRR shall pay to NSR, upon receipt of bills therefor, any reasonable cost incurred by NSR in connection with the qualification of such employees of ISRR, as well as the reasonable cost of pilots furnished by NSR, until such time as such employees are deemed by the appropriate examining officer of NSR to be properly qualified for operation as herein contemplated, such determination not to be unreasonably withheld, conditioned or delayed.

10.4 If any employee of ISRR shall neglect, refuse or fail to abide by NSR's rules, instructions and restrictions governing the operation on or along NSR's property, such employee shall, upon written request of NSR, be prohibited by NSR from working on NSR's property. If any Party shall deem it necessary to hold a formal investigation to establish such neglect, refusal or failure on the part of any employee of ISRR, then upon such notice presented in writing, ISRR shall promptly hold an investigation in which all parties concerned shall participate and bear the expense for its officers, counsel, witnesses and employees. Notice of such investigations to ISRR's employees shall be given by ISRR's officers, and such investigation shall be conducted in accordance with the terms and conditions of scheduled agreements between ISRR and its employees. If the result of such investigation warrants, such employee shall, upon written request by NSR, be withdrawn by ISRR from service on NSR's property, and ISRR shall release and indemnify NSR from and against any and all claims and expenses because of such withdrawal.

10.5 The trains, locomotives, cars and equipment of ISRR, NSR, and any other present or future user of the Line or any portion thereof, shall be operated without prejudice or partiality to any party and in such manner as shall afford the most economical and efficient manner of movement of all traffic.

10.6 (a) In the event that (i) an ISRR train shall be forced to stop on the Line and unable to proceed due to mechanical failure of ISRR's equipment or any other cause not resulting from an accident or derailment, (ii) an ISRR train fails to maintain the speed required by NSR on the Line; or (iii) in emergencies, crippled or otherwise defective cars are set out of ISRR's trains on the Line, NSR shall have the option to furnish motive power or such other assistance as may be necessary to haul, help or push such trains, locomotives or cars, or to properly move the disabled equipment off the Line, and ISRR shall reimburse NSR for the reasonable cost incurred by NSR in rendering any such assistance.

(b) If it become necessary to make repairs to or adjust or transfer the lading of such crippled or defective cars in order to move them off the Line, NSR shall have the option to perform such work, and ISRR shall reimburse NSR for the reasonable cost incurred by NSR with respect thereto.

10.7 In the event NSR and ISRR agree that NSR should retain employees or provide additional employees for the sole benefit of ISRR, the Parties shall enter into a separate agreement under which ISRR shall bear all cost and expense for any such retained or additional employees provided, including without limitation all cost and expense associated with labor protective payments which are made by NSR and which would not have been incurred had the retained or additional employees not been provided.

#### **ARTICLE 11. MILEAGE AND CAR HIRE**

11.1 All mileage and car hire charges accruing on cars in ISRR's trains on the Line shall be assumed by ISRR and reported and paid by it directly to the owner(s) of such cars.

#### **ARTICLE 12. CLEARING OF WRECKS**

12.1 Whenever ISRR's use of the Line requires rerailing, wrecking service or wrecking train service, NSR shall be responsible for the provision of such service, including the repair and restoration of roadbed, track and structures so as to minimize the impact on NSR and ISRR operations. The cost, liability and expense of the foregoing, including without limitation loss of, damage to, or destruction of any property whatsoever and injury to and death of any person or persons whomsoever or any damage to or destruction of the environment whatsoever, including without limitation land, air, water, wildlife, and vegetation, resulting therefrom, shall be apportioned in accordance with the provisions of Article 13 hereof. All locomotives, cars, and equipment and salvage from the same so picked up and removed which are owned by or under the management and control of or used by ISRR at the time of such wreck, shall be promptly delivered to ISRR.

#### **ARTICLE 13. LIABILITY**

13.1 The responsibility and liability between the Parties for: (i) any personal injury or death of any person (including employees of the Parties and third persons), (ii) any real or personal property damage of any person (including property of the Parties and third persons), (iii) any damage or destruction to the environment (including land, air, water, wildlife and vegetation), and (iv) all cleanup and remedial expenses, court costs, settlements, claims, judgments, litigation expenses and attorney's fees resulting from the use of the Line by either Party as described herein, all of which are collectively referred to as a "Loss", shall be allocated as follows:

13.2 If a Loss occurs on the Line involving the trains, locomotives, engines and/or employees of only one Party, then such Party shall be solely responsible for the Loss, even if caused partially or completely

by the other Party.

13.3 If a Loss occurs on the Line involving the trains and locomotives of both NSR and ISRR, then: (i) each Party shall be solely responsible for any Loss to its own employees, locomotives and equipment in its own account including lading and (ii) responsibility for any Loss to the Line and Loss sustained by third parties shall be divided equally between the two Parties, regardless of the proportionate responsibility between them as to the cause of the Loss.

13.4 If a Loss occurs on the Line involving only one of the Parties and one or more third parties, then such Party hereto shall be solely responsible for such Loss as between the Parties.

13.5 Whenever any Loss is assumed by or apportioned to a Party under the foregoing provisions, that Party shall forever protect, defend, indemnify, and save harmless the other Party and its parent corporation, subsidiaries and affiliates, and any and all of their respective directors, officers, agents, and employees from and against such Loss assumed by that Party or apportioned to it, regardless of whether caused in whole or in part by the fault, failure, negligence, misconduct, nonfeasance, or misfeasance of the indemnitee or its directors, officers agents, or employees.

13.6 In every case of death or injury suffered by an employee of either ISRR or NSR, when compensation to such employees or employee's dependents is required to be paid under any workmen's compensation, occupational disease, employers' liability or other law, and either of said Parties, under the provisions of this Agreement, is required to pay said compensation, if such compensation is required to be paid in installments over a period of time, such Party shall not be released from paying any such future installments by reason of the expiration or other termination of this Agreement prior to any of the respective dates upon which any such future installments are to be paid.

13.7 For purposes of determining liability, pilots furnished by NSR to ISRR pursuant to this Agreement shall be considered as the employees of ISRR while such employees are on duty as pilots for ISRR.

13.8 If any suit or action shall be brought against either Party for damages which under the provisions of this Agreement are in whole or in part the responsibility of the other Party, said other Party shall be notified in writing by the party sued, and the party so notified shall have the right and be obligated to take part in the defense of such suit and shall pay a proportionate part of the judgment and costs, expense and attorneys' fees incurred in such suit according to its liability assumed hereunder.

13.9 In the event of a Loss as set out herein, the Parties shall be bound by the Freight Claim Rules, Principles, and Practices of the AAR as to the handling of any claims for the loss or damage to lading.

13.10 Notwithstanding any and all of the forgoing provisions of this Article 13, in the event a Loss occurs while the Line is being used by NSR and/or ISRR, and such Loss is attributable solely to the willful or wanton negligence of only one of the parties to this Agreement, then the Party which was so willfully or wantonly negligent shall be solely responsible for such Loss.

#### **ARTICLE 14. CLAIMS**

14.1 (a) Except as provided in Article 14.1(b) below, all claims, injuries, death, property damages and losses arising out of or connected with this Agreement shall be investigated, adjusted and defended by the Party bearing the liability, cost, and expense therefor under the provisions of this Agreement.

(b) Each Party shall investigate, adjust and defend all freight loss and damage claims filed with it in accordance with 49 U.S.C. Section 11706.

(c) In the event a claim or suit is asserted against NSR or ISRR which is the other's duty hereunder to investigate, adjust or defend, then, unless otherwise agreed, such other Party shall, upon request, take over the investigation, adjustment and defense of such claim or suit.

(d) All costs and expenses in connection with the investigation, adjustment and defense of any claim or suit under this Agreement shall be included as costs and expenses in applying the liability provisions set forth in this Agreement, except that salaries or wages of full-time agents, full-time attorneys and other full-time employees of either Party engaged directly or indirectly in such work shall be borne by such Party.

(e) Excluding freight loss and damage claims filed in accordance with 49 U.S.C. Section 11706, neither Party shall settle or compromise any claim, demand, suit or cause of action for which the other Party has any liability under this Agreement without the concurrence of such other party if the consideration for such settlement or compromise exceeds THIRTY-FIVE THOUSAND DOLLARS (\$35,000).

14.2 Except as provided in Article 10.7, each party agrees to indemnify and hold harmless the other Party and its parent corporation, subsidiaries and affiliates, and any or all their respective directors, officers, agents and employees from and against any and all costs and payments, including benefits, allowances and arbitration, administrative and litigation expenses, arising out of claims or grievances made by or on behalf of its own employees, either pursuant to a collective bargaining agreement or employee protective conditions imposed by a governmental agency upon the agency's approval or exemption of this Agreement. It is the intention of the Parties that each Party shall bear the full costs of protection of its own employees under employee protective conditions which may be imposed, and of grievances filed by its own employee arising under its collective bargaining agreements with its employees. Similarly, each Party agrees to indemnify and hold harmless the other Parties against any and all costs and payments, including judgments, damages, attorneys' fees and litigation expenses, arising out of claims, lawsuits and actions brought by or on behalf of its own employees pursuant to any provision of law, including common law, and based on employment arising out of the operations covered by this Agreement, except to extent otherwise specifically provided in this Agreement.

14.3 It is understood that nothing in this Article 14 shall modify or waive the conditions, obligations, assumptions or apportionments provided in Article 13.

#### **ARTICLE 15. DEFAULT AND TERMINATION**

15.1 In the event of any material failure on the part of ISRR to perform its obligations under this Agreement and the continuation of such failure for a period of sixty (60) days after written notice thereof by certified mail from NSR, NSR shall have the right at its option and after first giving thirty (30) days written notice thereof by certified mail, and notwithstanding any waiver by NSR of any prior breach thereof, to terminate the ISRR Trackage Rights and ISRR's use of the Line, subject to any regulatory approval or exemption that may be required under governing law. The exercise of such right by NSR shall not impair its rights under this Agreement or any cause or causes of action it may have against ISRR for the recovery of damages.

#### **ARTICLE 16. INSURANCE**

16.1 ISRR shall procure and maintain in effect during the life of this Agreement a policy or policies of insurance covering the liability to which it is or may be subject under Article 13 hereof. Such insurance shall provide minimum limits of Twenty-Five Million Dollars (\$25,000,000) per occurrence but may be subject to an annual aggregate limit of Twenty-Five Million Dollars (\$25,000,000), and a per occurrence deductible not in excess of ISRR's self insured retention. Norfolk Southern Railway Company shall be named as an additional insured, only for liabilities assumed in this agreement on said insurance policy.

16.2 If the insurance provided under this Article 16 takes the form of a Claims Made Policy, ISRR agrees to purchase whatever supplemental coverage may be necessary to provide continuous coverage of its

potential liability under this Agreement, with annual occurrence and annual aggregate limits no less than those required hereunder, for a period of time at least three (3) years following the termination of this Agreement. ISRR further agrees to immediately give written notice to the Director Risk Management, Norfolk Southern Railway Company, Three Commercial Place, Norfolk, Virginia 23510-2191, of any claim or notice of incident or notice of potential claim that is required to be reported to its liability insurance company.

16.3 Every policy of insurance obtained by ISRR pursuant to the requirements of this Article 16 shall contain provisions requiring that the insurance carriers give NSR at least thirty (30) days notice, in writing, of any proposed policy cancellation and of any material modification of the terms and conditions of the policy. The terms and conditions of each policy of insurance obtained by ISRR to satisfy the requirements of this Article 16 will be subject to the approval of NSR.

16.4 Within thirty (30) days of execution of this Agreement, ISRR will furnish to the above referenced Director Risk Management, an accurate certificate of insurance obtained pursuant to the requirements of this Agreement. Compliance with this requirement will not relieve ISRR of any other obligation under this Agreement and will in no way limit or modify ISRR's obligation to provide the specific insurance coverage required by this Agreement. Evidence of subsequent renewal of such insurance or of any material change must be furnished to the above referenced Director Risk Management as stipulated in Article 16.2 above.

#### **ARTICLE 17. REGULATORY APPROVAL**

17.1 ISRR, at its own cost and expense will initiate and thereafter diligently prosecute any actions necessary to obtain the approval, or exemption from such approval, of the U.S. Surface Transportation Board ("STB") of this temporary trackage rights agreement pursuant to 49 C.F.R. 1180.2(d)(8). Prior to making any submission to the STB, ISRR will present said submission to NSR for its review and approval, which shall not be unreasonably withheld or delayed.

17.2 If the STB does not approve the ISRR Trackage Rights as temporary trackage rights pursuant to 49 C.F.R. § 1180.2(d)(7), including the termination date of December 31, 2012, the parties agree that the rights shall not become effective and this agreement shall extinguish.

#### **ARTICLE 18. TERM**

18.1 This Agreement shall become effective (the "Effective Date") as of the first date executed by all of the Parties. However, ISRR operations over the Subject Trackage shall not commence until a date (the "Commencement Date") mutually agreed in writing between ISRR and NSR, which date shall not occur until the effective date of any required STB authorization or exemption of the trackage rights granted to ISRR herein (including compliance with any condition(s) imposed by the STB in connection with such approval or exemption).

18.2 The term of this Agreement shall commence on the Effective Date and continue until December 31, 2012, at which time the underlying right of movement as granted by this Agreement shall terminate.
